No. 0005/ ๑๑๔๔

๒๑ November B.E. 2560 (2017)

Dear President of Hong Kong Invention Association Ltd.,  
Subject: An invitation to Thailand Inventors' Day 2018

The National Research Council of Thailand (NRCT) is an organization that reports directly to the Prime Minister and is responsible for adoption of research policy and promotion of inventions/innovations of the country. With the responsibility for promoting inventions, NRCT has cooperated with allied agencies since 1995 to hold the "Inventors' Day" in Thailand. This event is held annually to be an open forum for all Thai and international inventors and to create networking opportunity among them. Every year in the event, an international pavilion is set up for exhibiting the potential and interesting invention and innovation of the international inventors. This exhibition is known as Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition (IPITEx).

It is a great pleasure to invite your organization and network in other member countries, to participate and exhibit their inventions in this event which will be held from 2 - 6 February 2018 at Event Hall 98 - 99, Bangkok International Trade & Exhibition Centre (BITEC), Bangkok, Thailand. On this special occasion, we entitle you to certain privileges by offering booths and an accommodation for you or the leader of the group during 1 - 7 February 2018 for free of charge.

We look forward to welcoming you to Thailand Inventors' Day 2018. Should you have any further inquiry, please do not hesitate to contact us by E-mail: [intinventor.rekm@nrct.go.th](mailto:intinventor.rekm@nrct.go.th)

Yours sincerely,

(Professor Sirirug Songsivilai, M.D., Ph.D.)  
Secretary - General
